Who is the ideal candidate for a Complimentary Clinical Review?

You are an ideal candidate if you have been diagnosed with a complex condition and would like a second opinion. You will learn about typical treatment plans that may be right for you and find out if Cleveland Clinic can assist with your care.

What happens when I schedule a review?

A specialty referral team will answer questions you may have and ask for basic information about your condition. Next, Cleveland Clinic will ensure that the right doctor will review your information and share a typical treatment plan based on your medical condition. The doctor may also talk to you about more advanced treatment options at Cleveland Clinic.

This second opinion is available to you at no extra cost. Charges will apply if you choose to schedule follow up visits.
